

A Tropical Spa Like No Other

Spa Botanica, Singapore's first garden destination spa, is home to Asia's first mud pools, float pools with cascading waterfall and meditation labyrinths. Voted sixth in Readers' Spa Awards 2008 Top Ten Day Spas – Overseas by Conde Nast Traveller UK and winner of the Best Spa Experience and Best Tourism Host – Spa awards by Singapore Tourism Board in 2008, our resort spa is a rejuvenating haven for the senses.
